

# Technical Design Document

Advanced Web Frameworks Assignment 2

Website Chosen: Netflix

Pages Recreated: External Home & Login Pages

Components Created:

- Accordion
  - Reason: Recurring element in external homepage
- Button
  - Reason: Common element that recurs in most websites. Wasn't able to use as much due to difficulty with navbar and limit of pages
- Dropdown
  - Reason: Appears multiple times in home page and login page
- Footer
  - Reason: Common element across all pages
- Input
  - Reason: Element that recurs across home page as well as login page
- Navbar
  - Reason: Common element across all pages
- Pages
  - Home Page
  - Login Page
